**Youtube Programming Channel:** <https://www.youtube.com/channel/UCmaq9Senwb3o1pEXsAv3BQg>

**Github Profile** : <https://github.com/Fiaj-Rahman>

## ABOUT ME

I'm looking for a position where I can use my potential, honesty, commitment, creativity, and expertise, as well as think and learn creatively. I'm a passionate front-end web developer with a strong foundation in HTML, CSS, and JavaScript. My expertise lies in turning design concepts into user-friendly and visually appealing websites. I'm proficient in modern web development tools and frameworks. I prioritize usability and accessibility while working collaboratively in cross-functional teams. I'm committed to staying updated on industry trends and continuously expanding my skill set to meet project deadlines and deliver innovative web solutions.
